

Report of the Running Group SG Bramsche „EL-CUP 2018“

The EL-CUP is an annual running series, which includes seven running events in the Emsland region: Papenburg, Haselünne, Lingen, Haren, Spelle, Salzbergen and Meppen. Running is done on the 10 km route (EL-CUP) or on the 5 km route (EL-CUP Hobby).

In order to be included in the EL-CUP ranking, the participant must complete at least four of the seven running events successfully. This year, three of the seven ranking runs were completed, as the run in Haren was retrospectively cancelled. In more than four/three completed ranking runs, the fastest four/three will be included in the ranking.

The EL-CUP is offered in the route lengths 10 km and 5 km.
